# From the Rector's Desk...

Dear Parents, Students, and Staff,

As we conclude another eventful month at St. Joseph's School, my heart is filled with gratitude and pride for the collective spirit and enthusiasm that our school community has displayed. June was a month of learning, growth, and togetherness, marked by a variety of programmes and activities that enriched the lives of our students.

From academic orientations and student council elections to special assemblies on important topics and vibrant celebrations like International Yoga Day, KG Yellow Day, and Green Day, each event has played a vital role in shaping our students' character and broadening their horizons. These experiences not only foster academic excellence but also instil values of responsibility, teamwork, and healthy living.

I am especially pleased with the way our students have participated in discussions and activities, showing curiosity, respect, and a willingness to learn. The guidance and support from our dedicated teachers and the involvement of parents have been invaluable in making these programmes successful.

Let us continue this journey together, nurturing a safe, joyful, and inspiring environment for every child. I look forward to the coming months, confident that our shared efforts will lead to even greater achievements.

With blessings and best wishes,

**Rev. Fr. Mento MMI**

Rector, St. Joseph's School (CBSE)

## **From the Principal's Desk .....**

When we dream with our eyes open, when we allow our hearts to follow our dreams, when we rise above trivialities and challenges, when we defeat all odds, we hit the bull's eye. That's exactly what you have done, dear students and teachers. You pursued your goals doggedly and with your focus and passion achieved success and won laurels for your Alma Mater. You have put your heart, mind and soul into even in your smallest acts, trust me, that is the secret to success. You have done us proud.

Always remember, students if the plan doesn't work, change the plan but never the goal. When there is a shift in your plans, your goal is within reach. Never allow anyone to distract you from your goals.

Dear teachers, your hard work, perseverance, learning, sacrificing and most importantly loving what you are doing, motivated our students to take the plunge with confidence. My dear teachers, your constant endeavour to mould each and every student's life, resulted in this record success. Thank you teachers, you have utilized your ability to the maximum.

Congratulations dear teachers and students on the outstanding results in Classes X and XII Board examinations.

The new academic year 2025-26 started off very well and everything has been going on as per our plan. All our students and teachers have put their right foot forward in order to stage new records in our school in everything that we are going to do. The Club Activities, the inter-school competitions at St. Alphonsa School, Nagercoil, the Independence Day celebrations at our school, various KG activities, the new academic initiatives, etc. are testament to this zeal and enthusiasm of our students and teachers. Please keep it up and march ahead. Success will be ours.

When the going gets tough, the tough gets going. Life has changed, it has become tough but we have become tougher and once we accept the truth and we live with it nothing can deter us from continuing to dream and chasing our dreams. Always remember, tough times never last but tough people do. We tend to feel that the winter of our lives has set in but there is a resilient sunny summer inside all of us and that will help us overcome every adversity.

Nothing in life is to be feared, it is to be comprehended. Now it is the time to understand more, so that we may fear less. Let us all try to prevent the present scenario from getting worse.

Storms hit our weakness, but unlock our true strength, and focus all our energy in not fighting but on building the new. Be industrious.

Stay grateful. All the best, now and always.

## Interviews for New Candidates (2 May - 9 May 2025)

The school conducted interviews for the new candidates from 2<sup>nd</sup> to 9<sup>th</sup> May. It was a wonderful opportunity to welcome prospective staff and their families into our St. Joseph's community. We look forward to nurturing their potential in the upcoming academic year.

# Summer Camp Extravaganza (5 May - 24 May 2025)

The First Annual Summer Camp was a grand success! Students explored their talents and learned new skills in:

**Skating**

**Football**

**Athletics**

**Western Dance**

The camp not only kept the students active but also fostered teamwork, discipline, and creativity. The energy and enthusiasm of the participants were truly inspiring!

## Teacher Training Sessions (21 May - 26 May 2025)

To ensure the highest standards of education, our dedicated teachers participated in specialized training sessions. These workshops equipped them with innovative teaching methodologies and strategies to enhance classroom learning. A big thanks to all our educators for their commitment to excellence!

# Welcome Back!

The school reopened on 2<sup>nd</sup> June after the summer holidays. The day began with a special assembly during which the certificates were awarded to all students who had participated in the summer camp and to the winners of the Inter-School Coding Competition. Our new Rector Rev. Fr. Mento also conducted a thorough inspection of the school buses, ensuring students' safety. An orientation session was held for the new KG students and their parents, helping them settle into the school environment smoothly.

# World Environment Day

On 5<sup>th</sup> June, we celebrated the World Environment Day with a special assembly. Students and staff joined hands in planting saplings across the campus, reinforcing our commitment to environmental stewardship.

# Academic Guidance and Orientation

An Orientation Programme for the students and their parents regarding NEET & JEE was organized on 14<sup>th</sup> June. This session provided valuable insights and guidance for those aspiring to excel in these competitive exams.

# Safety First

A meeting was held on 16<sup>th</sup> June to brief the instructions for the fire evacuation drill. The Fire Mock Drill took place on 18<sup>th</sup> June, involving the entire school in practicing essential safety procedures.

# KG Yellow Day Celebration

On 18.06.2025 our Kindergarten students joyfully celebrated the Yellow Day, a vibrant event designed to help children recognize and appreciate the colour yellow. The entire KG section was transformed with cheerful yellow decorations, including balloons, paper sunflowers, and creative wall displays. Children and teachers arrived dressed in various shades of yellow, filling the classrooms with sunshine and positivity.

# KG Yellow Day Celebration

# Student Empowerment

On 19<sup>th</sup> June, a meeting was conducted to explain the guidelines for the conduct of the student council elections. The elections were held on 20<sup>th</sup> June, allowing students to actively participate in the democratic process. A group discussion for the newly elected student council members was organized on 23<sup>rd</sup> June to assess their abilities to think creatively and express their thoughts confidently.

# Student Leadership

## Election Process

# International Yoga Day

On 20<sup>th</sup> June, St. Joseph's School celebrated the International Yoga Day with great enthusiasm. Students and staff gathered in the morning for a special yoga session led by trained instructors. The session included demonstrations of various yoga asanas and breathing exercises, emphasizing the importance of physical and mental well-being.

# KG Green Day Celebration

On 27.06.2025 Green Day was celebrated with equal enthusiasm, focusing on the importance of nature and the colour green in our environment. The KG classrooms were adorned with green streamers, leaves, and eco-friendly decorations. Children came dressed in green attire, creating a lush and refreshing atmosphere.

# KG Green Day Celebration

# Drug Awareness

On 30th June, we held a Drug Awareness Programme during assembly. Students were educated about the dangers of drug use and encouraged to make healthy, positive choices. This important session helps promote a safe and responsible school environment.

# Looking Ahead: A Note of Gratitude and Upcoming Events

As we wrap up an eventful June at St. Joseph's School, we extend our heartfelt gratitude to all students, parents, teachers, and staff for your enthusiastic participation and unwavering support. From academic orientations and leadership elections to vibrant celebrations like International Yoga Day, Drug Awareness Day, and our delightful KG Yellow and Green Days, this month has truly showcased the spirit of our school community.

Each event, whether it was planting saplings on World Environment Day, learning new yoga postures, or engaging in creative color-themed activities, has contributed to the holistic growth and well-being of our students. We are proud of our young learners for their curiosity, creativity, and commitment to making positive choices.

## Special Thanks

A special thank you to our faculty and parent volunteers whose dedication makes these enriching experiences possible. Your involvement is the backbone of our vibrant school life.

Stay tuned for more updates and continue to encourage your children to participate actively in all school activities.

## Stay Connected
