From the Rector's Desk

Dear Students, Staff, and Parents,

As we step into the vibrant month of December, my heart is filled with immense pride and gratitude for what our St. Joseph's School community has accomplished in November. This month truly exemplified our mission of nurturing excellence with values, blending academic rigor with character formation and holistic development. I extend my heartfelt congratulations to our students who have brought laurels to our school in various inter-school competitions. Your achievements reflect not only your hard work but also the dedicated guidance of our teachers and the unwavering support of your families.

Special appreciation goes to **H. Sharvim** and **E. Ryan**, who represented our school with distinction at the state-level INSPIRE MANAK Awards, and to our esteemed teachers **Mrs. G. S. Mini** and **Mrs. X. Dorin Bosco** for their well-deserved national recognitions. You are the embodiment of our school's spirit.

November was also a month of purposeful action and collective responsibility. Our **Green Energy Awareness Programme**, which set a new record, demonstrates our commitment to empowering young minds for a sustainable future. The successful conduct of the **Annual Sports Meet**, **ECA sessions**, **Medical Camp**, and the inaugural **MUN Assembly** further enriched our students' learning experiences beyond the classroom.

As we approach the festive season of Christmas—a time of joy, love, and giving—I encourage each one of you to embrace the spirit of sharing. Let us reach out to those in need in our community, lighting up their lives with kindness and compassion. This, too, is education—the education of the heart.

The coming month promises more opportunities for growth, celebration, and reflection. Let us move forward with the same enthusiasm, discipline, and unity that have defined us thus far.

May the blessings of the season fill your hearts and homes with peace, joy, and hope for the coming year.

With prayers and best wishes,

Rev. Fr. Mento MMI

Rector

St. Joseph's School, Manavalakurichi

"Empowering Hearts and Minds"

From the Principal's Desk

Dear students and colleagues,

“You can cut all the flowers but you cannot keep spring from coming.” Pablo Neruda

My heartiest congratulations to the entire team on the successful conduct of the project on clean and green energy awareness programme to empower our future generation to find innovative ways to reduce pollution and provide a long-lasting solution to our society, our country and the whole world. The month of November was eventful. Our students were

provided with innumerable opportunities to exhibit their innate talents by participating in various inter-school competitions and bringing laurels to our school. I would like to congratulate all those students who brought laurels to our school at these competitions.

Dear students, we cannot change the past but if we resolve to face all challenges now, we can create a future as resplendent as the hues of the rainbow. Spare a glance at the horizon it is full of promises. No matter what the situation is, never let your emotions subjugate your perspicacity. We don't develop courage by being happy always instead we develop it by enduring difficult times and challenging adversity. You should remember it is absolutely pointless to despair, as that will only make us victim of this unparalleled situation.

Do not drift away, keep sailing. Stay tuned in with life as Spring is round the corner.

The coming months will be full of academic activities and co-curricular programmes which are designed to shape you up and grow to be all round personalities. I wish that you all participate in all these activities and programmes with vigour and enthusiasm to project your best and achieve laurels to yourselves and to the glory of your institution.

Christmas is around and this is the season of joy, love and sharing. I would urge my children to share a part of your joy with those underprivileged people in your neighbourhood by donating whatever you can. So that you are the reason for lighting up a smile on their faces. Wishing you all a very merry Christmas and a very happy and successful new year 2026.

With best wishes

P. Eskalin Gonsalves

Principal

Connecting with Students, Strengthening Our Vision Correspondent's Visit

On November 11, our Correspondent Rev. Sr. Mourin DMI met all the students and shared inspiring insights about the upcoming India Book of Records event, motivating them to participate with confidence and enthusiasm across the campus.

Empowering Young Minds for a Greener Tomorrow

Green Energy Awareness Programme

On November 12, our school created a remarkable milestone by achieving a record for the maximum number of students participating in the Green Energy Awareness Programme, inspiring collective responsibility towards a cleaner and sustainable future..

Annual Sports Meet

Learning Beyond the Classroom

ECA Class

The ECA programme continued its weekly sessions every Wednesday, offering diverse learning opportunities in arts, sports, technology, and life skills. These sessions have been instrumental in identifying and nurturing unique talents among our students.

Health First, Always!

Two-Day Medical Camp

On 20.11.2025 and 21.11.2025, a two-day medical camp was conducted, providing students and staff with essential health check-ups and guidance, thanks to the doctors and staff of KMMC Hospital, Muttom.

Voices of Tomorrow, Today

MUN Assembly Session I

On 22.11.2025, the first session of the MUN Assembly was conducted, fostering debate, diplomacy, and leadership skills among students.

Planning for a Grand Celebration

Annual Day Preparations Meeting

On 22.11.2025, the Principal met with all teachers and coordinators to discuss preparations and plans for the upcoming Annual Day.

Our Achievements

Hearty congratulations on your well-deserved 2nd prize!
This is just the beginning. Your success at the DFT
Inter-School Robotics Competition

CONGRATULATIONS

Our Achievements

INTER - SCHOOL ROBOTICS COMPETITION

Hearty Congratulations on winning the IInd prize in the Inter-School Robotic Competition held at Stella Mary's Engineering College

Congratulations

Our Achievements

H. Sharvim and E. Ryan have made our school proud by participating in the state-level INSPIRE MANAK Awards exhibition. They were the sole representatives from our school at this prestigious event. Notably, they were the only participants from both the CBSE board and a private school background. Their achievement highlights the exceptional talent and innovative spirit nurtured within our institution. We commend their dedication and success on this significant platform.
