Honouring Culture and Mentors

Onam: A Riot of Colours and Traditions

On September 3rd, the spirit of Kerala's harvest festival came alive at St. Joseph's. The school grounds were transformed with intricate and beautiful *pookalams* (flower carpets), each a testament to our students' artistry and teamwork. The air was filled with festive fervour as students and staff came together to celebrate the values of unity, prosperity, and gratitude that Onam symbolizes.

Teachers' Day: A Tribute to Our Torchbearers

September 4th was dedicated to the architects of our future – our beloved teachers. The celebration was graced by the presence of our chief guest, Rev. Fr. Jesudos Jesuadimai, whose insightful address underscored the noble role of an educator. Students poured their hearts out through songs, dances, and heartfelt speeches, expressing their deep gratitude for the mentors who guide, inspire, and shape their destinies with unwavering dedication.

Academic & Co-Curricular Initiatives: Nurturing Mind and Talent

Stepping into the Future: Artificial Intelligence Training

In a significant stride towards futuristic education, students of Classes XI and XII underwent specialized training in Artificial Intelligence. The sessions moved beyond theory, introducing students to the core concepts and practical applications of AI. This initiative is designed to spark innovation and prepare our students to confidently navigate and contribute to the rapidly evolving technological landscape.

Beyond the Books: (ECA) Classes

Every Wednesday, our campus transforms into a hub of creativity and skill development. The Extra-Curricular Activity (ECA) classes are a vital part of our curriculum, offering students a platform to explore diverse interests—from arts and music to sports and technology. These sessions are instrumental in fostering holistic development, building confidence, and uncovering hidden talents.

A Gateway to Worlds Unknown: The School Book Fair

To cultivate a lifelong passion for reading, our school hosted an enchanting Book Fair. The event saw an overwhelming response as students from all grades eagerly browsed through a wide array of books. This initiative successfully provided a platform for our young learners to explore new genres, ignite their imagination, and develop a deeper love for literature.

Forging Futures: Online NEET Coaching

Our commitment to academic excellence extends to competitive exam preparation. Our senior students are actively engaging in rigorous online NEET coaching classes. These sessions, led by expert faculty, provide comprehensive syllabus coverage, strategic doubt-clearing, and regular practice tests, ensuring our aspirants are well-prepared to achieve their dreams of entering the medical profession.

Achievements & Accolades: Soaring High DFT Talent Harmony: Glory in Chennai!

The SJS family erupted in joy as our talented contingent of 45 students clinched the title of **Overall Runner-Up** at the state-level finals of the DFT Talent Harmony in Chennai. Competing against the best schools, our students showcased exceptional skill and teamwork across various events, bringing immense pride and glory to our institution. This remarkable achievement is a shining example of what our students can accomplish with determination and guidance.

Building Strong Partnerships: Home and School Connect Parents-Teachers Meeting: A Collaborative Dialogue

A highly constructive Parents-Teachers Meeting was organized this month, fostering open and meaningful communication. Discussions were centered on students' academic progress based on the PA-II and PA-IV exam results. The meeting reinforced the essential partnership between home and school, aligning our efforts to create the most supportive environment for the holistic growth and success of every child.

Embracing New Trends: Fr. Rector's Educational Visit

In our pursuit of continuous improvement, our Fr. Rector, accompanied by the Correspondent Sister, visited Don Bosco School, Tirunelveli, on September 19th. They attended an insightful seminar on "New Trends and Challenges in School Education." This visit was instrumental in gaining contemporary perspectives that will help us adapt and enhance our educational practices to better prepare our students for the future.

A Sacred Blessing: Ayudha Pooja Ceremony

In a solemn and graceful ceremony on September 27th, 2025, our school observed Ayudha Pooja, a tradition that venerates the instruments of our daily work and life. Our beloved **Fr. Rector** presided over a special 'Blessing of the Vehicles' ceremony, invoking divine protection and safety for all the vehicles used by our staff, students, and the school. The event was a profound reminder to express gratitude for the machines that serve us and to seek blessings for safe journeys throughout the year. It was a moment of spiritual reflection, reinforcing our values of thankfulness and reverence in every aspect of life.

Looking Ahead with Gratitude & Excitement

As we conclude the vibrant month of September, our hearts overflow with pride and thankfulness for the remarkable achievements and joyful celebrations that have defined this period. This month, we witnessed our students excel academically while showcasing their talents on prestigious platforms like the DFT Talent Harmony, where they emerged as Overall Runner-Ups. The campus resonated with cultural pride during Onam and heartfelt gratitude on Teachers' Day, while our senior students embraced future-ready learning through specialized AI training. The strong collaboration with parents and the enthusiastic participation in ECAs and the Book Fair have created a truly holistic educational experience. We carry this wonderful energy forward, excited for the new opportunities and celebrations that October will bring.

A Glimpse into October: The Journey Continues

As we welcome the month of October, we look forward to another series of enriching experiences:

Health First: A comprehensive Health Check-up camp for all students and staff.

Academic Olympiads: Participation in the prestigious IGK Olympiad.

KG Brilliance: Thirukural Recitation and Singing Competition for our kindergarteners.

Home-School Connect: Parent-Teacher Meeting for all classes to discuss ongoing progress.

Academic Rigor: Revision Exam - I for the crucial Classes X and XII.

Festive Fervor: A special Diwali Assembly and a creative KG Orange Day (Thread Art activity).

Global Citizens: A Model UN Assembly to foster diplomacy and debate.
